IPHI prospectus ₹ 250/-
**Dr. Archana Aravindan (MBBS, MPH)**

*Founder and director of Impact Paramedical and Health Institute*

has more than 15 years of experience working in the field of healthcare for both the government and the private sector. She has worked as a consultant for the World Health organization and with the Ministry of Health and Family Welfare on many projects for more than 15 years. She has always been passionate about education and healthcare training programs. She believes in the philosophy of being a visionary leader for her students as well as her staff and has been guiding them towards a successful career in healthcare.

She is a strong believer of quality education and envisions in delivering quality healthcare training at IPHI. To achieve this she has been consistently working towards raising the bar of training at IPHI. She has always been a source of inspiration to her students and motivated them to perform to their utmost capabilities for there is a huge demand and supply imbalance in the field of paramedical manpower for the healthcare industry. She is consistently taking this mission of hers forward to build capacity in the healthcare industry in the country today and for many years to come.

---

**Dr. Nipun Choudhry (MD, Internal Medicine)**

*Co-founder and director of Impact Paramedical and Health Institute*

has a lot of expertise in both healthcare administration and academics. With his experience of working in many renowned hospitals in Delhi. He has over the years realized how important it is to have a quality paramedical workforce to build high levels of efficiency in the working of a hospital. Thus, he has always pushed for quality training for the paramedical students at IPHI.

He is also wellness coach and a motivational speaker, thus he constantly emphasizes and exhorts the students to maintain their drive and advance their skills through the top-notch instruction offered at IPHI. He thinks that paramedical and allied health sciences are a specialized discipline with a lot of potential in the healthcare industry, and providing quality training in this area is crucial for the modern healthcare industry.
About IPHI

Impact Paramedical and Health Institute (IPHI) provides a range of professional paramedical and allied healthcare courses in an effort to develop a cadre of manpower at all levels of healthcare.

The Institute is dedicated to provide students with top-notch paramedical and allied health education in order to address the issue of a lack of skilled manpower in the allied health sciences. The education provided by IPHI equips its students with the skills necessary for a thrilling and rewarding career as a paramedic. The Think India Education Summit 2020 recognized IPHI, the “only paramedical institute managed by Doctors”, as “The Best Paramedical Institution. “More than 10,000 candidates have been trained by IPHI, and more than 95% of those candidates have been successfully placed. We work with more than 600 superspeciality hospitals, clinics, and diagnostic labs.

Our Mission

To create awareness and make paramedical education affordable to fulfill the ever advancing needs of the healthcare industry in India.

Our Vision

To fulfil the diverse needs of those seeking to work in the health sector, including allied health paramedical students, medical professionals, and other interested parties.

FACILITIES
Impact Paramedical and Health Institute (IPHI) is ISO 9001:2015 certified and has a truly student’s friendly infrastructure for top-notch education and training programs. In brief, the main facilities available at IPHI are the following:

Class Rooms:
Impact Paramedical and Health Institute (IPHI) is ISO 9001:2015 certified and has a truly student’s friendly infrastructure for top-notch education and training programs. In brief, the main facilities available at IPHI are the following:

Laboratories:
IPHi is committed to giving its students the best practical training possible to improve their healthcare skills.

OT Skill Lab
The operation theatre skill lab is well-equipped with the latest OT instruments, a hydraulic OT table, a suction machine, anaesthesia equipment, an OT light, and a variety of other tools needed for training in the operation theatre field.

MLT Skill Lab
Students are given hands-on training on all the instruments in the most cutting edge medical lab techniques, which are equipped with high-resolution automatic microscopes, fully computerized analyzers, and advanced diagnostic kits, for better learning.

Radiology Skilling Lab
IPH has an on-site X-ray machine for the radiology department to better prepare the student for a career in radiology.

Dialysis Skill Lab
The IPHI dialysis laboratory is fully furnished with all haemodialysis, peritoneal dialysis, AV fistula, and other techniques.
**Ophthalmology Skill Lab**
The newest optometry technologies, including refraction, retinoscopes, ophthalmic nerve simulators, lensometers, and other equipment, are taught to and demonstrated to our students.

**Computer Labs:**
Our top-notch educational infrastructure is essential to providing top-notch education, and it includes well-equipped computer labs.

**Canteen:**
Inside the institute, IPHI has a clean canteen where meals are made in hygienic conditions for students.

**Medical examination and vaccination:**
Students at IPHI undergo a thorough medical examination upon admission, and hepatitis vaccination is given during the induction period.

**Diagnostic facility and medical room:**
The institute has a medical room where students can get advice from doctors. It also has a free physiotherapy clinic and diagnostic lab.

**Hostel facilities:**
Inside the institute, IPHI has a clean hostel where students are prepare better for independent living later and helps in acquainted with colleagues and juniors to share medical knowledge.
Co-Curricular Activities (ECAs)

In addition to their academic pursuits, students are encouraged to participate in extracurricular activities like sports, singing contests, quizzes, and annual day celebrations. Each festival is observed with great enthusiasm and enjoyment at our institute.
INDUSTRY VISITS

Our students are taken on educational industry visits to a variety of hospitals, labs, diagnostic centres, etc. in order to expose IPHI students to the healthcare industry and prepare them for the future.
## PLACEMENT PARTNERS

IPHI has surpassed 95% placement rate.

At IPHI where students are encouraged to provide their best efforts, I am pursuing a MLT degree. It had improved my professional skills and given me the confidence to face the future.

Deepa Biswas
MLT

I attend RIT at IPHI and I appreciate the way the instructors explain each and every idea in class and exhort their charges to do their absolute best.

Himanshi Vaish
RIT

In the Impact Paramedical and Health Institute, I am pursuing MLT. The best facilities were used, and I was also given professional healthcare training.

Jatin
MLT

I am a student at this institution pursuing OTT. Because they give students expert training to help them become more confident, I think this institute is the best option for students considering the OTT course.

Manish Raj
OTT

I am a student at IPHI and I enjoy the atmosphere and friendly way of explaining concepts with examples.

Muskan
OTT

I am studying Dialysis at this institute, and the supportive and cooperative nature of the faculty encourages me to work hard in my studies.

Ruksana
DT

IPHI is the best institute for paramedical training, but it also involves students in various activities such as sports, quizzes, and festival celebrations.

Shivam Sharma
OT

I am pursuing Dialysis and find the faculty to be very supportive, explaining things using cutting-edge technology such as projectors, videos, and so on.

Varsha Jha
DT
**Dr. Karan Thakur**  
(Group lead Sustainability & ESG and Vice President - Public Affairs at Apollo Hospitals Group)  
Impact Paramedical Health Institute and Apollo Hospitals Group have partnered to provide training and placement services for its students. It offers frequent Industry visits and gives students a fantastic opportunity to develop their professional abilities.

**Dr. Mohit Chowdhry**  
(Senior Consultant & HOD Transfusion Medicine, Molecular Biology & Transplant Immunology at Indraprastha Apollo Hospitals, New Delhi)  
Many IPHI students completed their practical training at the Indraprastha Apollo Hospitals, and many more were hired and are currently working with us.

**Dr. Harmeet Kapoor**  
(HOD Surgery BL Kapoor Hospital)  
IPHI has a long-standing relationship with BL Kapoor Hospital, where students frequently go for internships and practical training. I send my warmest wishes to the students for their future.

**Mrs. Tripathi Pahwa**  
(Gen Secretary MGS Hospital Punjabi Bagh)  
We are associated with IPHI for a long time, and students frequently come to us for paramedical course placement and practical training. For IPHI’s upcoming ambitions, I wish it the utmost best.

**Dr. R.N. Kalra**  
(Medical Director Kalra Hospital)  
Kalra Hospital has been associated with IPHI for many years, and students regularly come for practical training and placement for paramedical courses. I wish IPHI every success in their future endeavours.
Dr. Manisha Sharma  
(Director Satyabham Hospital)  
Impact Paramedical and Health Institute has been associated with Satyabham Hospital since its inception. Many IPHI students have completed their practical training in this Hospital, and many have been placed and are working with us.

Dr. Chhavi Gupta  
(OI/C Estate and HOD Blood Bank) Rajiv Gandhi Specialty Hospital  
Rajiv Gandhi Super Speciality Hospital collaborated with Impact Paramedical and Health Institute, a premier vocational training institute, which proved very beneficial.

Dr. Awanindra Kumar  
(HOD Microbiology Dept. Swami Dayanand Hospital)  
IPHI is vocational training institute and is conducting various paramedical courses. Swami Dayanand Hospital has been associated with IPHI over many years and students regularly come for practical training and placement.

Dr. Shashi Khare  
(Ex. Addl. Director National Centre for Disease Control, MOHFW, GOI)  
Since IPHI’s foundation, I have served as one of its advisors. Over the past 9 years, the Institute has expanded greatly, trained a large number of students, and successfully placed them.

Dr. N K Bhatia  
(Director Mission Jan Jagriti, Blood Bank)  
For the training and placement of their students, Jan Jagriti and Impact Paramedical Health Institute have partnered. The facility offers paramedical courses as part of its vocational healthcare training programme.
