COLLEGE OF NURSING**

**REPORT
SEMINAR ON BIO MEDICAL WASTE MANAGEMENT**

Date- 29/01/2026

Time : 11:00 AM TO 12:00 PM

Location - Impact paramedical and health institute, college of nursing

Students Guided by: Ms. Akanksha rai

Participants: B.sc (H) 1st year

Introduction

A seminar on BMW Management was conducted for the students of B.Sc. Nursing 1st Year with the aim of providing knowledge about modern management practices followed by BMW (Bayerische Motoren Werke). The workshop helped students understand leadership skills, organizational management, and professional development.

Objectives of the Workshop

The main objectives of the seminar were:

- To introduce students to the concept of management in a corporate organization like BMW
- To develop leadership and decision-making skills
- To create awareness about teamwork, discipline, and professional ethics
- To motivate students for future career growth

Seminar Activities

The Seminar included:

- An overview of BMW as a global organization
- Lectures on leadership, time management, and organizational behavior

- Interactive discussions and question-answer sessions
- Examples of management strategies used by BMW

Outcome of the Seminar

The Seminar was beneficial for the students. They gained:

- Basic knowledge of management principles
- Understanding of leadership and teamwork
- Motivation to apply management skills in academic and professional life

Conclusion

The Seminar on BMW Management was informative and successful. It enhanced the students' understanding of management concepts and inspired them to develop professional skills. Such Seminar are valuable and should be organized regularly for overall student development.

WORLD CANCER DAY OBSERVANCE

WORLD CANCER DAY

Awareness. Compassion. Hope.

DATE

4 February 2026

OCCASION

World Cancer Day

VENUE

Mata Chanan Devi Hospital, Delhi

PARTICIPANTS

GNM 2nd Year Students

SUPERVISED BY

Ms. Himanshi Rathee & Ms. Akanksha Rai

Nursing Tutors

OBSERVANCE FOCUS

- Promoting cancer awareness
- Encouraging compassionate, patient-centred care
- Inspiring nursing students to support health education

Together for awareness, care and hope.

**IMPACT PARAMEDICAL AND HEALTH INSTITUTE
COLLEGE OF NURSING
REPORT ON WORLD CANCER DAY AWARENESS SEMINAR**

Date: 4 February 2026

Venue: Mata Chanan Devi Hospital, Delhi

Occasion: World Cancer Day

Participants: GNM 2nd Year Students

Supervised by: Ms. Himanshi Rathee and Ms. Akanksha Rai, Nursing Tutors

Institution: Impact Paramedical and Health Institute – College of Nursing

Introduction

On the occasion of **World Cancer Day, observed on 4 February 2026**, an awareness programme was organised at **Mata Chanan Devi Hospital** by the GNM 2nd Year students of Impact Paramedical and Health Institute – College of Nursing.

The programme focused on creating awareness among **patients and their attendants** about cancer prevention, early recognition and the importance of adopting healthy lifestyle practices.

Objectives

The programme aimed to:

1. Create awareness regarding cancer prevention and risk-reduction measures.
2. Educate patients and attendants about the importance of a healthy lifestyle.
3. Promote awareness regarding early identification of warning signs of cancer.
4. Address common myths and misconceptions related to cancer.
5. Encourage individuals to seek timely medical consultation and screening.
6. Develop health-education and communication skills among nursing students.

Activities Conducted

The GNM 2nd Year students conducted an interactive **cancer awareness session** for patients and attendants at Mata Chanan Devi Hospital.

The students provided information on important measures for cancer prevention, including maintaining a healthy lifestyle, avoiding tobacco and other harmful substances, maintaining a healthy weight, regular physical activity and seeking appropriate medical advice and screening.

A **skit on common cancer myths and misconceptions** was presented by the students. Through the skit, the students highlighted commonly believed misconceptions and communicated appropriate health messages in a simple and engaging manner.

The interactive presentation helped patients and attendants understand the importance of reliable health information and timely medical care.

Role of Nursing Tutors

The programme was conducted under the supervision and guidance of **Ms. Himanshi Rathee and Ms. Akanksha Rai, Nursing Tutors**. They guided the students in preparing the awareness content, organising the skit and communicating health messages effectively to patients and attendants.

Outcome

The programme increased awareness among patients and attendants regarding **cancer prevention, healthy lifestyle practices, early recognition and the importance of timely medical consultation**. The skit provided an engaging platform to address myths and misconceptions related to cancer.

The activity also enhanced the students' skills in **health education, communication, teamwork and patient interaction**.

Conclusion

The World Cancer Day awareness programme was successfully conducted at **Mata Chanan Devi Hospital on 4 February 2026**. The activity effectively conveyed important messages regarding cancer prevention and helped address common myths through an interactive skit. The programme contributed to promoting awareness and encouraging a positive and informed approach towards cancer prevention and care.

CAMPUS SAFETY & PREPAREDNESS

FIRE DRILL

Building readiness. Practising safety.

DATE OF FIRE DRILL

12 December 2025

VENUE

College Campus

PARTICIPANTS

**B.Sc. Nursing First Semester
Students**

DRILL FOCUS

- 01 Fire safety awareness
- 02 Familiarisation with evacuation procedures
- 03 Awareness of emergency exits and assembly points
- 04 Coordination and preparedness during emergencies

Awareness and practice build preparedness.

IMPACT PARAMEDICAL AND HEALTH INSTITUTE COLLEGE OF NURSING

Date of Fire Drill: 12 December 2025

Venue: College Campus

Participants: B.Sc. Nursing First Semester Students

Introduction

A Fire Drill Seminar was conducted on **12 December 2025** at *Impact Paramedical and Health Institute College of Nursing* with the objective of creating awareness regarding **fire safety, prevention, and emergency preparedness** among students. The program focused on enhancing practical knowledge and readiness during fire-related emergencies.

Objectives of the Fire Drill

- To create awareness about fire hazards and fire prevention
- To educate students on the proper use of fire extinguishers
- To demonstrate fire safety procedures and evacuation methods
- To conduct a mock drill to assess emergency response

Activities Conducted

1. Fire Safety Awareness Session

Students were educated about:

- Common causes of fire in institutional settings
- Preventive measures to reduce fire risk
- Importance of early detection and reporting

2. Demonstration on Use of Fire Extinguishers

A practical demonstration was given on the **correct use of fire extinguishers**, including:

- Identification of different types of fire extinguishers
- Steps for operating fire extinguishers (PASS technique)
- Safety precautions while handling fire equipment

3. Steps of Fire Safety Process Explained

- Raise alarm immediately
- Inform concerned authorities
- Switch off electrical sources if safe
- Use appropriate fire extinguisher
- Evacuate safely through designated exits
- Assemble at the safe assembly point

4. Mock Fire Drill

A mock fire drill was conducted involving **B.Sc. Nursing First Semester students**. Students actively participated in:

- Evacuation procedures
- Maintaining discipline during emergency

The fire drill was conducted successfully, and students actively participated with enthusiasm. The session enhanced students' awareness regarding **fire prevention, emergency response, and safety measures**. The mock drill helped students understand the importance of preparedness and calm response during emergencies.

Conclusion

The Fire Drill program achieved its objectives by effectively sensitizing students to fire safety measures and emergency protocols. Such drills will be conducted periodically to ensure continued preparedness and safety within the institution.

AWARENESS SESSION

STRAY DOG MENACE

**Animal Behaviour, First Aid After Bite
& Reporting Protocols**

DATE OF SESSION

9 December 2025

RESOURCE PERSON

Ms. Neha Kasotiya

Faculty, College of Nursing

PARTICIPANTS

**B.Sc. Nursing 1st Semester
Students & Staff**

SESSION FOCUS

- 01 Stray dog menace and community awareness
- 02 Understanding animal behaviour
- 03 First aid after a bite
- 04 Reporting protocols and responsible action

Be aware. Stay prepared. Report responsibly.

Promoting awareness and safety among students and staff

IMPACT PARAMEDICAL & HEALTH INSTITUTE
COLLEGE OF NURSING
NEW DELHI
SEMINAR ON STRAY DOG MENACE AWARENESS REPORT

Date of Session: 09/12/2025

Topic: *Stray Dog Menace, Animal Behaviour, First Aid After Bite & Reporting Protocols*

Resource Person: Ms. Neha Kasotiya, Faculty, College of Nursing

Participants: B.Sc. Nursing 1st Semester Students & Staff

1. Introduction

In compliance with the directions issued by the Hon'ble Supreme Court regarding prevention of stray dog incidents and ensuring student safety, the Impact Paramedical & Health Institute, College of Nursing organized an Awareness Session for students and staff.

2. Objective of the Session

The primary aim of the session was to **sensitize students and staff** on the following:

- Understanding stray dog behaviour
- Preventive measures to avoid dog bites
- Safety guidelines while encountering stray animals
- Immediate **first aid steps** after a dog bite
- Institutional and public **reporting protocols**

3. Session Details

The session was conducted by **Ms. Neha Kasotiya**, Nursing Faculty, who explained in detail the rising concerns related to stray animals and the need for awareness in educational campuses.

Key points covered:

- Identifying aggressive vs. non-aggressive dog behaviour
- Do's and Don'ts when a stray dog approaches
- Steps to be taken immediately after a bite (washing wound, reporting, vaccination protocol)
- Importance of timely reporting to authorities
- Ensuring safe practices within the campus

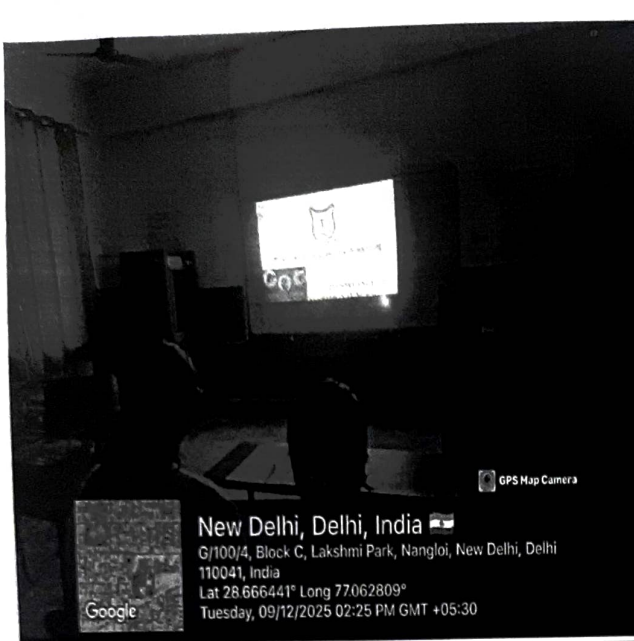

The session was interactive, with students participating actively through questions and discussion.

4. Outcomes of the Session

- Enhanced awareness among students and staff about managing stray dog encounters safely
- Improved understanding of first aid measures and vaccination timelines
- Reinforced reporting mechanisms within the institution
- Strengthened community responsibility for campus safety

5. Evidence of Activity

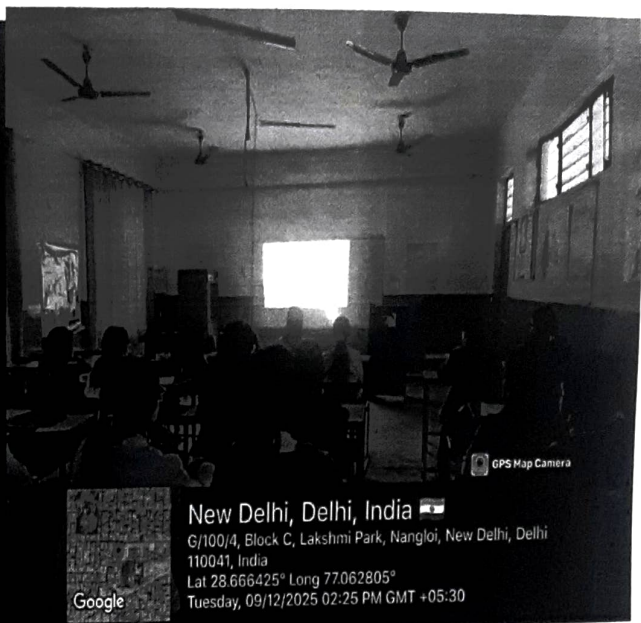

Photographs of the awareness session are enclosed herewith for record and verification.
